

**MYCOM**

# Spiral Freezer

**MAYEKAWA**

# Spiral Freezer

## Efficient Freezing

- Unique MIX AIR FLOW design to improve heat transfer efficiency
- Various defrost systems to prolong operation time
- Custom design to suit different applications and requirements

## Top-of-the Standard

- Equipment meet USDA & CFIA requirements
- Fully welded insulated enclosure
- Simple structure design
- Various types of CIP cleaning systems

## Package Solution

- Complete solution for freezing & high side system (MYCOM PACK)
- Ammonia, Freon or CO2 refrigeration package available

## Specifications
